I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: This would cause me a very
unhealthy situation - Having tried
many prescriptions for hormone replacement.
with very poor results - I am now doing
well with College Pharmacy. I request
that you "leave well enough alone". Thank
you!
